Full Stack Web Developer |FreeLancer | HTML | CSS | JavaScript |
React.js | Node.js | Express.js | MongoDB | MariaDB || Almabetter
Pro Member

Pune, Maharashtra, India

Summary

Greetings! I'm Shwetank, a passionate Full Stack Web Development enthusiast with a strong foundation in the MERN stack (MongoDB, Express.js, React, Node.js). As a fresher in the tech industry, I am thrilled to embark on this exciting journey of building cutting-edge applications and solving complex problems

Tech Enthusiast:

My love for technology and the ever-evolving world of web development sparked my interest in becoming a Full Stack Developer. I find joy in staying updated with the latest trends and advancements, and continuously honing my skills to deliver top-notch solutions.

MERN Stack Expertise:

Having dived deep into the MERN stack, I possess a solid understanding of front-end technologies like HTML, CSS, and JavaScript, allowing me to create responsive and captivating user interfaces with ease. Additionally, my knowledge of backend technologies, including Node.js and Express.js, empowers me to build robust APIs and server-side logic, while MongoDB allows me to efficiently manage databases and handle data.

Data Structures and Algorithms (DSA):

As a firm believer in the importance of strong fundamentals, I have dedicated considerable time to mastering Data Structures and Algorithms (DSA). This knowledge serves as the bedrock of my problem-solving skills, enabling me to approach challenges with a systematic and efficient approach.

Join My Journey:

As I embark on my career as a Full Stack Web Developer, I am excited to connect with fellow professionals, mentors, and industry

experts. If you share a passion for web development, DSA, or simply wish to connect and exchange ideas, feel free to reach out! Let's learn, grow, and make an impact together.

Education

Siddhivinayak Technical Campus, School of Engineering & Maharashtra Buldana Research Technology, Shegaon, Khamgaon Road, Shirasgaon Nile, Shegaon

Bachelor of Engineering - BE, Mechanical Engineering · (August 2020 - November 2023)
